JANUARAY MONTH VIDEOGRAPHY DELIVERABLES & CONTENT CREATION – MUTHUPANDI

We are pleased to engage your services for video content creation and social media distribution as part of our digital marketing and brand promotion initiatives. This letter outlines the scope of deliverables and expectations regarding video production for our clinic/hospital on a monthly basis.

Scope of Work & Monthly Deliverables

As part of your engagement, you will be responsible for shooting, editing, and delivering a total of **30 high-quality videos per month**, covering a variety of content types. These videos are to be creatively executed, brand-aligned, and professionally presented.

Below are the detailed deliverables expected each month:

---

1. Delivery Videos – 2 Videos (West & Central Zone)

(IVF Success Stories & Treatment Outcome Highlights)

• Create **two IVF-specific delivery/success videos**—one for the **West Zone** and one for the **Central Zone**.

• Each video may include:

- Successful IVF/ICSI/IUI journey (only with **written patient consent**).
- "Before and after" treatment story (without showing identifiable patient details).
- Doctor explanation of treatment approach for that zone.
- Emotional yet professional storytelling to build trust and credibility.
- Focus on authentic patient experience, treatment transparency, and positive hospital image.

---

2. YouTube & Instagram Shorts – 30 Shorts

(Shorts must be related to IVF, Fertility, Embryology & Women's Health)

• Produce 30 IVF-themed short videos (Reels/Shorts).

• All videos must be vertical (under 60 seconds).

• Content ideas include:

- Fertility tips for couples
- Common IVF myths vs facts
- Quick informative clips from doctors/embryologists
- Ovulation, egg quality, sperm health, lifestyle tips
- Behind-the-scenes glimpses of embryology lab (non-sensitive areas only)
- Daily activities from IVF departments
- Procedure explainer clips (e.g., ICSI, egg retrieval, embryo transfer)
- Each video must include captions, supportive animations, and clean hospital branding.

---

3. Doctors' Videos – 2 Videos

• Record two IVF-specific doctor Q&A or educational videos.

• Possible themes:

- "When should a couple visit an IVF specialist?"
- "Success rate factors in IVF"
- "Diet and lifestyle during fertility treatment"
- "Understanding AMH, follicle scan, PCOS, endometriosis"
- Ensure medical accuracy, clarity, and proper visuals to support patient understanding.
- Include subtitles, doctor introduction title card, and brand elements.

---

4. Canva Videos – 2 IVF Awareness Videos

• Create two visually rich Canva-based IVF awareness videos.

• Typical topics:

- Fertility awareness month, PCOS day, women's wellness reminders
- Treatment steps: IVF in 6 stages, what to expect
- Quick festive greetings with IVF theme
- These should be short (20–40 sec), clean, and suitable for social media.

---

5. Summary of Additional IVF Video Deliverables

- 2 Delivery Videos (West & Central)
- 30 IVF Short Videos
- 2 Doctor IVF Videos
- 2 Canva Awareness Videos

Posting & Distribution Responsibilities

- All 15 videos are to be posted across our active social media platforms: **Instagram, Facebook, YouTube, and any others specified.**
- Optimization for each platform (format, thumbnail, captions, hashtags) must be handled.
- Scheduling and coordination with our internal marketing team for approvals and posting times.
- Provide monthly performance analytics (optional but preferred).

Timeline & Coordination

- Videos should be spread across the month with consistent posting frequency.
- Initial content calendar must be discussed and approved by the 1st week of every month.

- All footage must be original and rights retained by the clinic/hospital.

Professional Standards

- All content must uphold patient confidentiality, consent requirements, and healthcare compliance standards.
- Creative input is welcome, but the final output must align with our brand image and tone.

Timeline & Reporting

- 50% of total deliverables must be completed and reported by Jan 15, 2025.
- All final video deliverables must be submitted without delay by Jan 31, 2025.
- Delays in submission or incomplete deliverables may affect future engagement.
