CAREER OBJECTIVE

As a creative UI/UX Designer, I aim to create intuitive and user-centered digital experiences by applying my expertise in design, user research, and prototyping. I seek to contribute to a collaborative team and deliver functional, visually appealing solutions that meet both user needs and business goals.

PROFESSIONAL SUMMARY

- With 13 years of experience in the creative field, including 7 years as a Graphic Designer and 6 years specializing in UI/UX, I excel at crafting user-centered, visually compelling designs within fast-paced environments.
- I am passionate about creating intuitive digital experiences that effectively balance both user needs and business goals, ensuring seamless and impactful interactions across platforms.

Hands-on Experience in:

- UI & UX Design
- HTML, CSS, JS, and Bootstrap (Basics)
- Brand Identities
- Colting Pattern Design
- Product Design
- Social Media Marketing
- Print Media
- Logistic Jobs

Experience in Client Support:

- Designed diverse brand identities (UI/UX, Product Design) based on client requirements from local businesses.
- Responsible for designing, developing, and providing ongoing client support to meet business specifications.
- Managed projects within scope, quality, and time constraints, ensuring timely delivery of specified requirements.
- Collaborated with clients to understand needs and provided tailored design solutions to enhance their brand presence.
